INTRODUCTION

Welcome to INCH, a cutting-edge campus that is committed to providing the highest quality education to students. At INCH, we pride ourselves on our innovative approach to teaching and learning, and we are constantly striving to stay at the fore front of new developments in the field.

The Vision

One of the most exciting recent development in the field of education is the introduction of the national education policy (NEP) 2020, and we are proud to say that we have incorporated this policy into our curriculum. NEP 2020 is designed to promote a holistic and multidisciplinary approach to education, which aligns perfectly with our own philosophy here at INCH.

The Campus

Our faculty is made up of experienced professionals who are fascinated about architecture and teaching, and we provide our students with hands-on experience in the latest techniques and technology. Whether you are just starting out in your architecture studies or you are looking to take your career to the next level, INCH is the perfect place to achieve your goal.
